Payroll Ezy– *Employment Management System*

Technologies: React.js, Redux Toolkit, Material UI

Synopsis:
- Developed a **comprehensive employment management system** with features that simplify workforce administration.
- The system allows for seamless attendance monitoring, ensuring that business owners have real-time insights into their employees' work hours.
- Implemented **real-time attendance monitoring**, allowing business owners to track employees' work hours efficiently.
- Streamlined the **payroll process**, ensuring **accurate and timely payouts** based on attendance data.
- Designed **employee management features**, including **profiles, job roles, and performance evaluation** tools.

FUNDAMENTALS

- Web Development
- Design Principles

HAVE GOOD KNOWLEDGE OF

- Webpack
- Version Control
- Cross Browser Compatibility
- Performance Optimization

SKILLS

- JavaScript
- TypeScript
- React.js
- Redux
- RESTful APIs
- Playwright
- HTML/CSS
- Material UI
- CMS Integration

TOOLS & TECHNOLOGIES

- Agile & Scrum
- Jira, Click Up, Slack
- Git
- Draw.io
- Visual Studio Code
- Jest, Playwright

PERSONALITY TRAITS

- Creativity
- Attention to Detail
- Quick Learner

- Optimized **timesheet management** to reduce administrative workload and improve operational efficiency.
- Developed a **user-friendly leave request and tracking system**, enhancing transparency and compliance.
- Provided **scalable solutions** tailored for large-scale businesses to **streamline employment management**.

Heyday – *Skincare & Appointment Booking Platform*

Technologies: React.js, HTML5, CSS3, RESTful APIs, Playwright, Sanity CMS

Synopsis:
- Maintained and improved the **web booking widget** for shop appointments.
- Developed and optimized the **shop app for staff** to manage customer treatments and profiles.
- Ensured **seamless backend integration** and enhanced **performance and usability** for both customers and staff.
- **Integrated Sanity CMS** to manage dynamic content, enabling efficient updates and streamlined content management.
